

How to Set Up MyLab Math Account

Two Ways to Buy:

1. Through the Bookstore
2. Directly Through Pearson (Skip to Slide 7)

If you are a dual-enrolled student, please check your CGTC email address for your access code. Do NOT go to the bookstore and purchase the code. The email will be from 1665mgr@follett.com titled “Your receipt from the Campus Store” with your receipt. If you do not see this e-mail, please contact your high school coordinator whom is listed on the last slide of this presentation.

Also, if you buy directly through the bookstore as a non-dual-enrolled student, you have the option to have a paper receipt or a digital copy. The digital copy will have the same title to the email.

Your Bookstore Receipt

On your receipt, you will see a section titled eBook Download Information

The PIN code will be the 31-digit Pearson Access code, and the website will link directly to the CGTC Blackboard website. Please make sure you have set up Single Sign On before doing so.

Blackboard

Find your course within Blackboard. Through this process, please only use Google Chrome or Firefox.

If you have not already, complete the First Assignment.

You will not be able to register for MyLab Math until completion of the First Assignment.

After completion of the First Assignment, you will notice a folder is now open to you called “Learning Modules.” Click on it.

Learning Modules

Availability: Item is available, but some students or groups may not have access.

Enabled: Adaptive Release, Statistics Tracking

Course assignments are located in this folder.

Please review the Course Schedule for assignment due dates.

Blackboard

Find the item with the blue P and click the link. Some classes may have this item named differently.

Once you click the link, you will come to a screen that you want to click “Open Pearson”

Select Open Pearson to see your content.

Pearson

You are now in the Pearson website. Please click “Open MyLab & Mastering”

You may need to allow pop-up blockers.

Pearson

Once you sign in or create an account, you will get to the screen where you have 3 options:

1. Buy directly from Pearson.
2. Input the Access Code.
3. Get temporary access for 14 days.

Because you have a PIN code, you can click “access code”

Access Code

Enter a prepaid access code in the boxes, or paste the entire access code into the first box.

Access Code (Required)

ABACUS - CANAL - PRIDE - STONY - MOULD - LUCKY

Finish

Register

Select an Option

Use an Access Code

A prepaid [access code](#) might come with your textbook or in a separate kit.

Use a Credit Card or PayPal

Student Access (18 Weeks)

- Your 18-weeks starts the day you complete registration
- Provides access to MyLab and the eText
- Allows you to learn fully online
- Note: after 18 weeks, you would need to purchase this option again

18-Week student access for MyLab Math with eText for Lial/Hornsby/McGinnis, Algebra for College Students 9e

Student Access (up to 24 Months)

- Our most popular option for multiple-term courses
- Provides access to MyLab and the eText
- Allows you to learn fully online

Student access (up to 24 months) for MyLab Math with eText for Lial/Hornsby/McGinnis, Algebra for College Students 9e

Waiting for financial aid?

[Get temporary access without payment for 14 days](#) Use an access code, credit card, or Paypal before February 9, 2023 to stay in your course.

Finished!

Once you paste your code into the field or type it in, you are finished!

Please start your assignments right away.

If you have *any* regarding this sign-up process, please contact your instructor.
